

Local History & Genealogy Resources

The Public Library of New London Local History and Genealogy Section provides a collection of books, photographs, microforms, serials and pamphlet file materials with an emphasis on New London County history and families, focusing especially on New London. Please contact Adult Services/Reference for assistance via telephone (860) 447-1411 Ext. 3 or email. Hours are by appointment only, during regular library hours. We'd be happy to assist you in your research!
